

**Air Conditioning (HVAC) Technicians
Full Time Position**

As we continue to expand our business TCM Solutions now require qualified HVAC technicians to work in some of Melbourne's premier buildings.

The successful applicants must have an excellent understanding of commercial air conditioning and preferably experience of high rise buildings.

Applicants should have a proactive approach to being able to liaise with clients, coordinate contractors, work unsupervised and become a valuable team member. Excellent conditions. Relevant registrations and licences are essential.

As well as a modern vehicle, and competitive salary TCM Solutions provides many additional staff benefits.
