

EMERGENCY WARNING AND INTERCOMMUNICATION SYSTEM

BCA 1990: E4.9
Spec E1.5
Spec E1.7
BCA 1996: EP4.3 (E4.9)
Reference: AS 2220.1
AS 2220.2
AS 18S1.10

PURPOSE:

An emergency warning and intercommunication system (EWIS) is installed in a building to alert occupants in the event of an emergency and enable an orderly evacuation of the building.
